You are invited to the premiere of GURU

The Indians have found an answer in the guru system. Put trust in the guru (once you have found the right one!) and he/she will take you on a journey – of transformation – from darkness into light. This film offers never before seen insights into the life of 90 year old ashtanga yoga guru Sri K. Pattabhi Jois.

Film-maker Robert Wilkins travelled to Mysore India for Sri K. Pattabhi Jois's 90th birthday celebrations in July 2005. Students descend from all over the world for this yogi special event.

Running time: 30 minutes
